

Club Manager 365 User Guide

Background

We use the Club Manager 365 system to provide the following services to club members:

- Court Booking
- Ladders
- Box Leagues
- Member Dashboard (including mobile and email details for other members)

The system is integrated with the Smart Club database that is used to store member details, raise and pay invoices and manage your smart card.

The software is accessible from the club web site by clicking on the relevant service (available on the Home page, from the drop down menus for Adult and Junior Players and in the Quick Links area on the right of each page).

You can also access the services directly using the links that Club Manager have developed specifically for CLTC.

- <https://ctlc.clubmanager365.com/Homepage.aspx> brings you to the MyDashboard page
- <https://ctlc.clubmanager365.com/Club/Bookings.aspx> brings you to the Court Bookings page
- <https://ctlc.clubmanager365.com/Club/ResultsAndTables.aspx> brings you to the Ladder page
- <https://ctlc.clubmanager365.com/Club/ResultsAndTables.aspx> Brings you to the Box League Page

1 – The Basics

1.1 Login

The system uses your Smart Club Cloud username (first-name.surname.membership-number) and password.

Refer to the Smart Club User Cloud Guide for details on getting a login or to reset your password.

Most services are only available when you are logged in to the system. There are however some read-only screens that allow you to view Court Bookings, Ladders and Box Leagues without logging in. These screens all include a login box that will allow you access the full system.

1.2 Navigation

Once you are logged in, a number of menu options will appear at the top centre of the screen. These are *My Services*, *Courts*, *Ladders* and *Box Leagues*. Clicking on any of these options will display a drop down menu of options. There is a section on each menu below.

2 – My Services

The My Services menu gives you access to 7 drop down options, each of which is described below.

2.1 My Dashboard

The dashboard is a summary page, and is the default landing page after login. It shows a row of activity from any singles ladders and box leagues you are involved in. At the bottom right is a summary of any upcoming court bookings, and bottom left is a players list which you can use to locate other players and get their contact information by scrolling down the list of players. By default your mobile phone number and email address appear in this list. If you want to hide your email address choose that option in [My Details](#). The only way to remove your mobile phone number is to delete it off the Smart Club database. To do this choose [Smart Club Cloud](#) in the [My Services](#) drop down menu. If you do this, please ensure that there is a number in the Home Phone or Work Phone boxes or the club will have no way to contact you.

The screenshot shows the 'My Dashboard' page for a user named 'eamonn.byrne.254'. The page is divided into several sections:

2.3 My Club Events

We don't use this module of the system, so you can ignore this option.

2.4 My Details

We use Smart Club as our primary database and it holds core member details such as address, mobile and email address. To modify these details use the [Smart Club Cloud](#) system.
